

MISLEAD

AMERICA'S SECRET EPIDEMIC

THURSDAY OCT 24 • 5 PM • FREE

CONTOIS AUDITORIUM, BURLINGTON CITY HALL

A Special Engagement Preview Screening of the documentary feature film "MisLEAD: America's Secret Epidemic." A panel discussion will follow the screening with the film's director, Tamara Rubin, and leading experts in the lead poisoning prevention field.

A project of the Lead Safe America Foundation, a 501(c)3 nonprofit.

WATCH THE TRAILER AT WWW.LEADSAFEAMERICA.ORG

MISLEAD: AMERICA'S SECRET EPIDEMIC is an intellectually rigorous, emotionally compelling exposé of a hidden epidemic that impacts one in three American children today. Tamara Rubin, an Oregon mother whose sons were poisoned, travels the country meeting with experts and other parents of poisoned children – looking for answers.
